

MyFinances

- Create a Budget

- Track Expenses

- Set Financial Goals

Where do you find MyFinances?

It's already a tab on your fnb4me.com online banking!

This screenshot shows the 'Add Spending Target' form in the MyFinances section of the First National Bank online banking interface. The form includes fields for 'What tag(s) would you like to track?', 'What will you call this spending target?', and 'Set a monthly limit'. It also has a section for 'Which accounts should be considered?' with a dropdown menu set to 'Checking'. At the bottom, there are checkboxes for 'Alerts' and 'Dashboard'.

Saving for College?

A Car?

A Wedding?

Set a budget for various expenses and receive **text or email alerts** when you are getting close to reaching your target amount!

This screenshot shows the 'Add a Savings Goal' form. It includes a 'Name and Image' section with a text input and a 'Choose an image' button. Below that is the 'Account and Amount' section with a dropdown menu and a text input. A 'Next' button is visible at the bottom right.

This screenshot shows the 'Completion' and 'Alerts' sections of the MyFinances interface. The 'Completion' section has a dropdown menu and a text input. The 'Alerts' section has checkboxes for 'Send me text messages about this' and 'Send me email alerts about this', each with a corresponding text input for 'Where should text alerts be sent?' and 'Where should email alerts be sent?'. A 'Next' button is at the bottom.
